Open Ear

Your counseling from
students for students

Are you a student and need someone to talk to? We are students in the Master's programme „Social Work – Psychosocial Counseling and Health Promotion“ and offer confidential, peer-to-peer support.

We are here for you if you:

- have doubts about your studies
- feel stressed or overwhelmed
- struggle with exam anxiety or self-organization
- just need someone to talk to

We offer you a safe and confidential space to support you! We are here to listen!
